How to sign up to Seneca as a student?

Step 1 - Head to the sign-up page

First step is to open the Senca website in Google Chrome: <https://app.senecalearning.com> and select the [Sign Up](#) tab

Step 2 - Fill in account information

Registering an account with Seneca is completely free. You will be asked to include information about yourself including:

- First name
- Last name
- Email
- Password

Then just agree with the [Terms and Conditions](#).

Step 3 - Select your account type

At the next stage you should select your preferred account type:

- Student

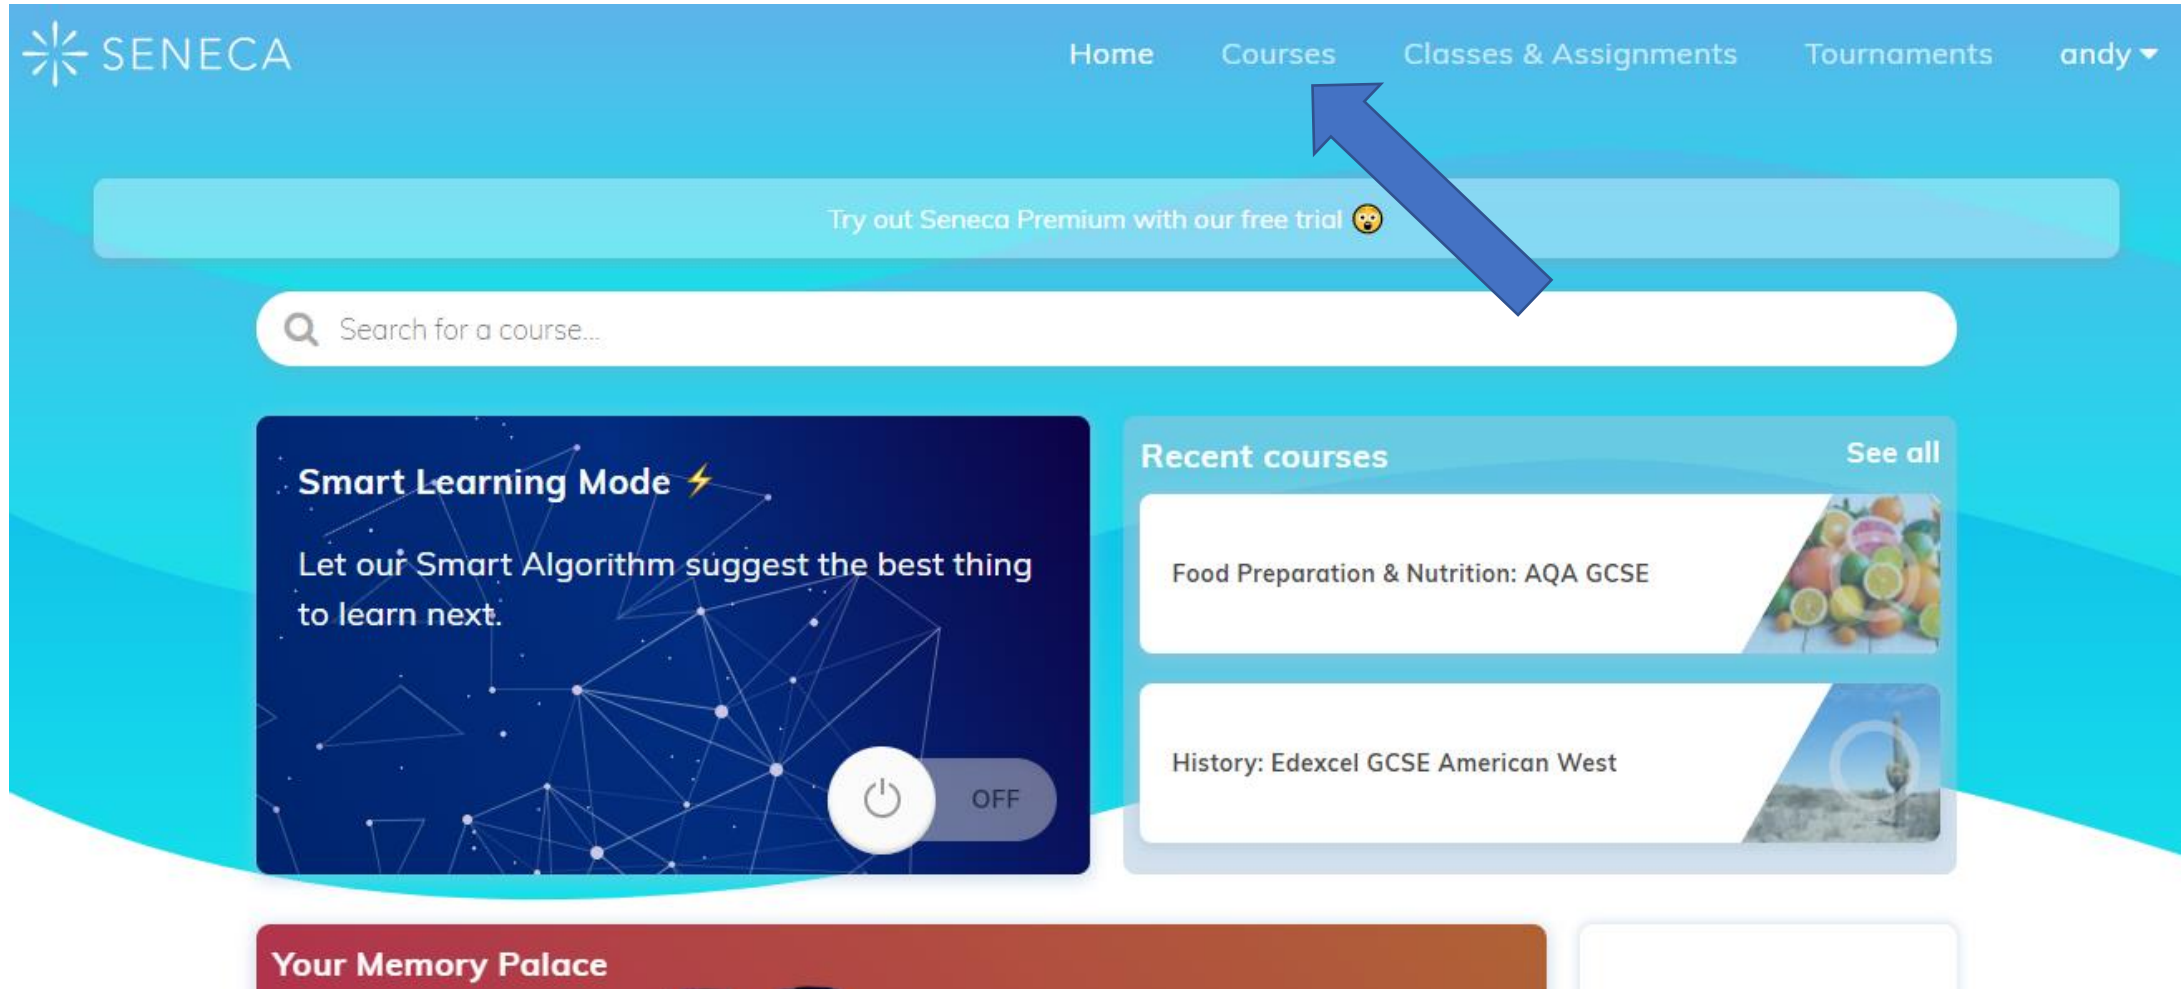

Step 4 - Select your school and name

At the final stage you're asked to select the school name. Type in and select Coombeshead Academy. It will then ask for a parents address, you can enter N/A if you don't know it before selecting "I have consent to use Seneca"

The screenshot shows the SENECA platform interface. At the top, the SENECA logo is on the left, and navigation links for Home, Courses, Classes & Assignments, and Tournaments are on the right. Below the navigation, there's a search bar containing 'Combined Science' and a 'Your Courses' section. A modal window is open in the center, displaying a rocket launch background. The modal title is 'Combined Science Physics: AQA GCSE Foundation'. Below the title, there is a green checkmark icon followed by the text 'Course Added!'. At the bottom of the modal, there are two buttons: a blue 'Start learning' button and a white 'Add more courses' button. A blue arrow points from the 'Add more courses' button towards the bottom right of the modal. On the left side of the modal, there is a 'Filters' panel with a 'Type' dropdown set to 'Free' (2 items) and other filter options like 'Diagnostic Misconceptions' (0), 'Vocabulary' (0), 'Premium Free Trial' (0), and 'HyperLearning' (2).
